DETAILED ACTION

Claim Rejections - 35 USC § 112

Claims 2-9,15, and 17-25 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 8, line 3, the recited frame control symbols and data within the blocks is inferential in that it has not been specifically recited that frame control symbols and data are included in the incoming frame; the phrase "the same de-interleaving and decoding operations" has no antecedent basis and is based on structure which is only inferentially set forth.

In claim 15, "placing the extracted at least" is incomplete language rendering the claim indefinite.

In claim 17, the phrase "the frame" has no antecedent basis.

Claim 21 is incomplete in failing to structurally connect the recited receiver to the FEC, such amounting to a gap between the claim language.

The claim also fails to recite the origin of the data and control information. It appears that such should be recited in terms of the incoming frame.

Allowable Subject Matter

Claims 11-14 are allowed.

Claims 2-9,15, and 17-25 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
